

# SOUTHERN COMFORT CHILI

2 lbs. ground beef (or chicken)

64 oz. tomato juice

2 cans Bush's Chili Beans 27oz.

1 Tbsp Chili Powder

Shredded Cheddar Cheese  
CornChips

Brown ground meat and chili powder. Drain the meat. Mix ground meat, tomato juice, and beans together in a kettle. Let simmer on low for at least 4 hours, stirring occasionally. If you would like to cook this in a crockpot all day, just use less tomato juice.
